## Scope Plane

What they say they need

- A Website.
- Fans and potential fans can see and hear clips from their back catalog, and any new material as it becomes available.
- To publicise their availability to perform at events such as weddings and Christmas parties.
- To showcase on their website photos of the band members, a video clip and audio clips.
- To add links to their Facebook, Twitter and YouTube pages which are currently being created.

What they actually need

- A mobile-first responsive website.
- A discography page with an audio player on site to play tracks, along with a video player.
- A 'Hire Us' page.
- A gallery page to showcase their photos.
- Links to their social media platforms.

What they don't know they need

- A 'Join the fan club' pop-up to get the latest news / event information and other offers.
- At a later time possibly a merchandise area.
